

Privacy and data overview

How asasii lang lab handles sign-in, recordings, seat thumbnails, data on the lab network and retention.

Sign-in

Teachers	A local profile and password on the lab PC
Students	Pick a name from the class list, with a PIN if the institution wants one

What is seen and recorded

Seat thumbnails	The teacher's view only; never recorded
The student's status bar	Shows when the teacher can see the screen and when a recording is on
Recordings	Kept for the period the institution sets

Where the data lives

Teacher PC	The teacher PC is the server; lessons, recordings and results live in a dated folder on it
The lab network	Names, recordings and work never leave the lab's own network
Internet	Not required, and nothing leaves the building

Personal data

Student data	Stays with the institution, under the Personal Data Protection Act 2010
Export	Results export to the institution's LMS or as a workbook

Updates

Delivery	On a USB stick
Period	Three years included in the licence
